**RelyCHECK answers vital questions about your projects:**

- Who is reviewing what?
- How many reviews are unresolved, completed, or out-dated?
- When will we be ready to show compliance evidence of our reviews?

## KEY BENEFITS

- |                                     |                                                          |
|-------------------------------------|----------------------------------------------------------|
| ✓ <b>Process Definition</b>         | ✦ Customizable to your review process                    |

| ✓ <b>Management Visibility</b>      | ✦ Take control of your project with total review metrics |
| ✓ <b>All Levels of Reviews</b>      | ✦ Peer Review, Quality/Process Assurance, and more       |
| ✓ <b>Compliant to all Standards</b> | ✦ DO-178/254, MIL STD, IEC, CMMI, FDA, or yours          |
| ✓ <b>Complete Review Cycle</b>      | ✦ Define Workflow, Capture all the details, and Track    |
| ✓ <b>Direct CM Integration</b>      | ✦ Review what is in your CM System directly              |

## Review Lifecycle For Life-Saving Applications

### Review Lifecycle

- ✓ Total Customization of Review Workflow
- ✓ Choose Dynamic or Static Usage of Checklists per Project
- ✓ Transition Criteria Definition
- ✓ Map to any Review Process including DO-178B, DO-254, FDA, CMMI, and MIL Standard; or total customization
- ✓ Capture EVERY Comment, Actions Taken and Closures Provided
- ✓ Fast Access to Previous Reviews for Comparison and Expediting the Review Cycle
- ✓ Track Due Dates, Review Dates, and Completion
- ✓ Review Assignment Flexibility (*single review or multiple reviews of the same artifacts*)

### Project Management

- ✓ Monitor the entire Review Lifecycle via Project Dashboard Metrics & Tools
- ✓ Provide Visibility across functional teams
- ✓ Create higher quality products by using automated, comprehensive and efficient review methods
- ✓ Identify trouble areas in your program
- ✓ Ensure & Track Project Progress Real-time

### Compliance

- ✓ Pre-Packaged with over 80 Checklists Compliant to DO-178 and DO-254
- ✓ Architected by FAA DERs
- ✓ All Compliant Reviews (*Peer / Independent, Quality Assurance, Fagan Inspection, and DER Reviews*)
- ✓ Ensures the Compliance Evidence is Complete
- ✓ Easy access to DO-178/254 Cross References

### Usage & Advantage

- ✓ Fast & Simple User Interface with inline help
- ✓ Establish & Share common Checklists Across Multiple Projects
- ✓ Manage, Customized and update Checklists Electronically (*Totally Green Product!*)
- ✓ Archival of all reviews for one-step configuration

### Platform & Integration

- ✓ Site License, Hosted or Installed
- ✓ Platform Independent (Microsoft or Linux), No additional databases or tools required
- ✓ Configuration Management Aware, Integrated & Synchronized
- ✓ Email Notification during review cycle
